Beskrivelse

En perle fra McWilliams. Dyb rubinrød i farve, modne solbær, mørk blomme, kanel og vanilje. Druerne har overvejende gæret i åbne gæringsanlæg og delvist modnet i amerikanske ege fade! Vingården har været familieejet siden 1877 og er en af de absolut bedste huse i Australien.

Hanwood Estate vine er kendt for deres kompleksitet og friske frugters smag som kreeres af sublime druer fra de berømte vin regioner i South Eastern Australia.

Serveringstemperatur, mindst 18°. Tillad iltning for endnu mere nydelse.
